

# Spring Break STEM Camp

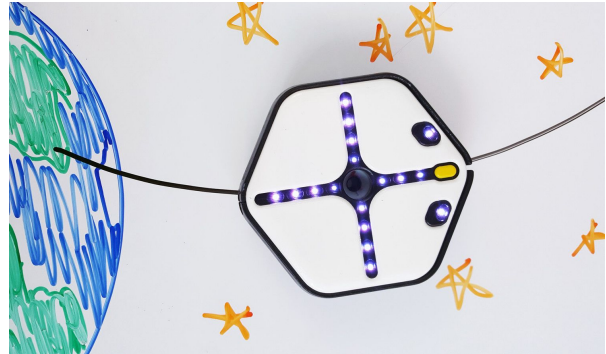

**Dates:** March 19 - 23

**Times:** 9am - 4pm daily

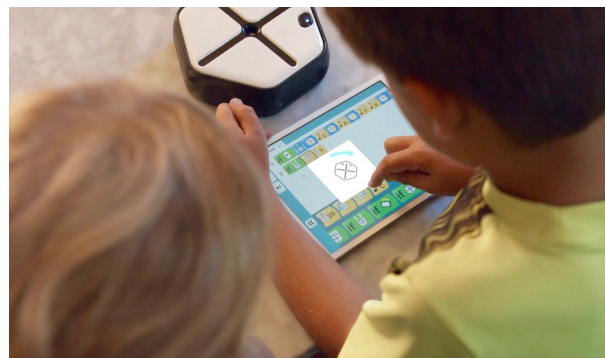

**Grades:** 5th - 7th

**Cost:** \$950 for the week

## Coding with Root

Dive head-first into coding with Root - a wall-climbing, drawing & driving, creativity fueled robot and iPad app that develops logic and problem solving skills while teaching them to code. Move seamlessly through three levels of coding styles on the app, from basic drag & drop blocks to sophisticated text based programming in languages used every day in the “real world.” Learn how to think like a coder while solving fun, engaging, and interactive problems with Root!
